Re: Information Request Re ARRCOM Corporation,
Rathdrum, Idaho and the Anaconda Aluminum
Company, Columbia Falls, Montana

Dear Mr. Findley:

Confirming my telephone advice to Monica Kirk, the Anaconda Aluminum facility in Great Falls was sold in September 1985 to Columbia Falls Aluminum Company ("CFAC").

Any files pertaining to past operations are in the possession of CFAC, and any employees familiar with past operations would be employees of CFAC.

I assume that you have sent a similar information request to CFAC. Therefore, I do not plan to send anyone to Montana to search CFAC's files and interview CFAC's employees. If the requested information is not forthcoming from CFAC, however, please let me know and we will use our best efforts to obtain it.

Very truly yours,
